Chairman's Report	<p>As you will all know we have been awarded the Scottish Championships for the next 3 years. We have been actively looking for sponsors for not only that event but also other Comps we hold here.</p> <p>I am pleased to say that Gavin and Graham have wasted no time in moving forward in looking into the membership and retention issues.</p> <p>To date I have not received any information on our application for charity status, but I can say that when we do get it, we already have one major Scottish company who had intimated they would be willing to consider supporting our events.</p>
