The best 12 teams from that ranking will advance to the playoffs. The top 4 teams get a bye to the 2nd qualification round. Teams ranked 5-12 will play the 1st qualification round with the winners.
- All games will be eight (8) ends, with extra end(s) to break tied games.
- First named teams in each draw play the stones with the dark-coloured handles, and wear dark coloured upper playing garments. Second named teams in each draw play the stones with the light-coloured handles, and wear light coloured upper playing garments.
- There will be a seven (7) minute practice for each team before each round robin game. The practice starts 30 minutes before the scheduled game time. The team with the first practice during the round robin will be the team with dark stones except for the games highlighted in the draw.
- The last stone advantage in the first end of the round robin games will be decided by playing LSD stones as per World Curling rules.
- The ice for all post-round robin games has been predetermined as shown in the official draw.
